To the General Shareholders' Meeting and the Supervisory Board of BRE Bank SA

We have reviewed the attached interim condensed financial statements of BRE Bank SA (hereinafter called *the Bank*), with its registered office in Warsaw, 18 Senatorska Street, comprising the statement of financial position as at 30 June 2012, the income statement, the statement of comprehensive income, the statement of changes in equity, the statement of cash flows for the period from 1 January to 30 June 2012 and condensed additional information on the adopted accounting policies and other explanatory notes.

The Bank's Management Board is responsible for preparing interim condensed financial statements which comply with the International Financial Reporting Standards as adopted by the European Union concerning interim reporting (IAS 34). Our responsibility was to present a report on these interim condensed financial statements based on our review.

We conducted our review in accordance with the requirements of the national standards of auditing issued by the National Chamber of Registered Auditors. The standards require us to plan and perform the review to obtain moderate assurance that the interim condensed financial statements are free of material misstatements. We conducted the review mainly by analyzing the data in the financial statements, inspecting the accounting records, and making use of information obtained from the Bank's Management Board and persons responsible for finance and accounting in the Bank.

The scope and methodology of review of the interim condensed financial statements significantly differs from the scope of an audit providing a basis for expressing an opinion on compliance with the applicable accounting policies and the fairness of the financial statements and that is why we are not able to express an opinion on the attached financial statements.
